

Bookaneer Book Fair

Pirate Flag Dangler Instructions

Supplies*:

- Construction paper
- Paint
- Markers and crayons
- Stapler
- 12" wood dowel
- String
- Paperclips

Directions:

1. Have students create their own pirate flags with construction paper and art supplies.
2. Fold 1 ½" of the right side back and staple closed to create an opening.
3. Slide a wooden dowel through the flag opening.
4. Cut a short piece of string and tie both ends of the string to both ends to the dowel.
5. Cut a longer piece of string and tie one end to the middle of the short string.
6. Tie the other end of the string to a paper clip. Use the paperclip to attach the finished flag dangler to the ceiling.

*Remember, these are only suggestions.
This project should be fun and creative, so use
supplies you have on hand for substitutions.
