

McCall PTA Volunteers

Hello and Welcome to the 2016-2017 school year!

If you have already signed up to volunteer, THANK YOU very much! It's fun to help and be involved in school, not to mention the opportunity to be with your child and meet other parents. If you haven't signed up and want to help with volunteer needs, please indicate your interests below, fill out your contact information, and return this form to your teacher.

Thank you,

Jennifer Pilcic
