## **PRESIDENT'S MESSAGE** by Kari Yeamans

Hello Colt Community,

It's hard to believe that the end of the school year is upon us! I would like to take a moment to thank each of you for your participation in our events this year and for your support of PTA. I would especially like to thank my incredible PTA board. It has been a privilege to work with such a talented group of parents who are so dedicated to helping enrich the educational and social experiences of the children at our school. You have each done an outstanding job—words cannot express my most sincere gratitude. It has been an honor serving as your PTA President this past year. Thank you for the opportunity and trust you gave me to serve this school and your children. With that, I would like to welcome our new 2016-2017 PTA board! Many of our seasoned veterans will be returning to the board next year and we look forward to having several new parents join us! Being part of the PTA board is a fun and rewarding experience, and I encourage you to join us. Many people think PTA is just a lot of volunteering but I can assure you that we have a lot of fun along the way. And, seeing those smiling faces on our kids as they enjoy the events we plan is priceless! If you would like to be a part of planning next year's events, please contact me to discuss filling one of the positions still available.

I am happy to report that the McCall PTA had a very successful year! So where does the money raised go you may ask? With your generous donations, we hosted lots of fun events such as the Boosterthon Fun Run and Fall Festival, Multicultural Night, Donuts with Dad, Muffins with Mom, Grandparent's Day Breakfast, Spring Groovy Dance, free family movie nights and much more. With your support and funds raised throughout the year, the PTA was able to purchase 10 brand new Apple iPad Air 2 for the school, provide a free Field Day t-shirt to all students, fund class parties and grade level field trips, and provide our wonderful McCall Teachers with a back to school breakfast along with daily treats for Teacher Appreciation Week. Without support from our McCall parents, this would not be possible.

To the teachers, principals and staff of McCall Elementary, thank you for all your hard work and dedication to our children. Everything you do to make our children's education experience so meaningful is greatly appreciated.

McCall PTA has many exciting things planned for the 2016-2017 school year such as the McCall Garden Project and helping with some updates to our library. I strongly encourage all of our parents to come and join our PTA and volunteer. There are so many things you can do, at any volunteer level. It will make such a positive impact on your life as well as the lives of our students.

Congratulations to our 5th grade graduates! I hope everyone has a fun and safe summer break! See you all in August!
