

# Happy Camper Small Lantern Instructions

## Supplies\*:

- Peanut butter jar
- Red plastic cup
- Scissors
- Red duct tape
- LED tealight
- Hot glue gun
- Red pipe cleaner

## Directions:

1. Cut a red plastic cup in half. Place upside down.

2. Place an empty peanut butter jar into the cup. Tape together with red duct tape.

3. Hot glue a red pipe cleaner to the lid to create a handle. Place an LED light inside the jar.

\*Remember, these are only suggestions. This project should be fun and creative, so use supplies you have on hand for substitutions.
