

Happy Camper Story Stone Instructions

Supplies*:

- Smooth, flat stones
- Paint
- Paintbrushes

Directions:

1. Find smooth, flat stones.
2. Paint animals, items found in a campground, and things found in nature onto the stones.
3. Once dry, use these stones as story prompts. Start your story with, "Once upon a time" or another introductory line, and then have a student close his/her eyes and pick a stone. Have the student use the picture on it as a part of their story.

*Remember, these are only suggestions. This project should be fun and creative, so use supplies you have on hand for substitutions.
