

PARENTING THE STRONG WILLED CHILD

(4 WEEK SERIES)

Parenting is one of the most difficult jobs you will ever have, and temperamental clashes with strong-willed children can make it even more challenging. Join us for this four-week course to share and learn techniques which will enable you to better understand temperament traits, improve the atmosphere in your home, handle power struggles and enable all members of your household to feel like winners.

Child care will be available for evening sessions!
