

McCall Valentine's Day Party

Colts Give Back

Thursday, February 14th, 2019

1:30-2:30pm

Set up @ 1pm & clean up @2:30pm

McCall is using this year Valentine Season to give back to our community; this year service project supports the Children's Advocacy Center of Collin County.

We are asking students to bring in Teddy Bears and/or children's toiletries/hygiene products to support the needs of the Children's Advocacy Center. There are boxes located outside of the library where donations can be placed. We will accept donations through February 15th.

Students: You are welcome to bring in valentines to pass out to your classmates during the parties and a decorated shoebox to hold them. If you do not have a shoebox, check with the front office. Teachers can provide you with a list of classmates.

Volunteer: We need parents to help with setup, crafts, serve, and clean up.

Food*/Drinks/Plastic Ware: Sign up through Signup Genius links below or go to <http://www.mccallpta.org/>. **Items may be dropped off in the front office the day before or the day of the party by 10AM.**

*See back for more information on food allergies and sensitivities.

Dear Parents,

There are a few students who have severe food allergies, such as to peanuts (and other nut products), eggs, and milk among other things. We are distributing this information to help you understand the situation and to help foster a safe, worry free semester for these students and his/her parents. If you bring any items into the classroom with any of these ingredients, please be sure that the products have a label on them. This will allow our students with any allergy sensitivity issues to make good choices on party day.

The students' allergies can be life threatening and the student may carry an EPI-Pen at all times.

We thank you in advance for your cooperation in helping us maintain a safe and healthy environment for all of our students. If you have any questions, please feel free to contact Nurse Mendoza (esther.mendoza@pisd.edu) or Ms. Kimbriel (stacy.kimbriel@pisd.edu.)

Thank you,
McCall PTA
