

# Foam Cup Owl

## Supplies\*:

- Foam cup
- White feathers
- Black and yellow cardstock
- Scissors
- Circle punch (optional)
- Black permanent marker
- Hot glue gun and glue sticks
- Feathers

## Directions:

1. Turn a foam cup upside down.
2. Cut a triangle out of black cardstock. Glue the triangle to the center of the cup.
3. Cut two large circles out of yellow cardstock. (Or, use a circle punch to punch out.)
4. Draw solid black circles on the centers of the yellow circles, creating pupils.
5. Glue the eyes to the cup, above the black beak.
6. Glue a cluster of white feathers to the sides of the cup.
7. Draw in feather details with a black marker.

\*Remember, these are only suggestions. This project should be fun and creative, so use supplies you have on hand for substitutions.
