## Painless Fundraising

### Shoparoo!

Snap pictures of your receipts and earn money for McCall! Download the free app on your smartphone today! Any item/information you do not wish to be shown can be marked through with a marker or pen. Last year school, we earned \$170.82 from Shoparoo with only 10 supporters. Imagine how much McCall could earn with 100 or 200 supporters!

### Target

If you shop at Target, please consider getting a Target RED card. Target offers both DEBIT and CREDIT versions of the RED card. Not only do you save 5% on all of your Target purchases, but a percentage of your purchases goes to help McCall! Last school year, McCall earned \$601.45 with 32 participates.

## Hospitality Happenings *by Minoo Wille*

**The February hospitality event was a HUGE success. Thank you to all of those who donated candy bars to help appreciate the teachers and staff at McCall and let them know how much they are loved.** There were over 120 candy bars donated!! A nice goody bag of 2 candy bars and a large homemade cookie were waiting in the mailboxes on the morning of February 13. Thank you again very much for your help and donations.

Just to let you know of upcoming events:

**On April 2**, there will be a teacher lunch to help them decompress after the rigorous STAAR testing. PTA will provide Chick-Fil-A sandwiches, but donations of chips, desserts and drinks will be needed. Reminders will be sent after spring break. Your donations would be very much appreciated!!

**TEACHER APPRECIATION IS MAY 4-8!!** There will be something special each day for the teachers, including an appreciation lunch, which is scheduled for Thursday, May 7. I am still in the planning stages and will send out a schedule of events and needs in late March/early April.

Would you like to be part of the wonderful McCall Hospitality Committee? Please contact Minoo Wille at [minoo\\_wille@verizon.net](mailto:minoo_wille@verizon.net) and I will add you to the list.

You can donate food or your time, as your schedule permits.

Thank you!  
Minoo Wille

#### **Tips for Greener Living**

Do you have old electronics and household appliances around your house that are no longer in working order? If so, please consider recycling them at one of the United Electronic Recycling drop off locations listed below. Millions of tons of old electronics end up in landfills each year along with the toxic chemicals they contain which contaminate our soil and water. Do your part to keep these items out of the landfills by choosing to recycle and keep our earth clean and beautiful! Visit <http://www.plano.gov/692/Electronics> for more info.
